The rules do not contemplate the application
of the Rule of proportion in such cases. That
rule is intended to apply only to cases of
transfer in the interests of the Mysore Govt.

The application of the Rule of proportion in
such cases is practically to give the ^{officer} ~~person~~
^{prospective} ~~on~~ voluntary retirement after
a person ~~for~~ ten years service in Mysore,
whereas an officer is not entitled to pension on
voluntarily leaving to be in service unless
unless he serves the Mysore Govt for ~~20~~ 30
years. Art 411 M. S. R applies to this
case - the ^{officer} ~~man~~ wants to cease paying
contribution upon condition that he will
not count service for pension from the Mysore
revenues. Now the grant of such
concession may prove a very embarrassing
precedent to the Mysore Govt.

7) Under these circumstances we may
reply that under the rules applicable to such
cases the proper course would be to entertain

13) I am inclined to think that the case is not so unfavourable to Govt as is made out by the Jt Secy in the ^{marked} portion of his note. If we are to pay pension at once, it would be tantamount to allowing voluntary retirement on pension. But it is payable only after the long period necessary to earn a ^{pension} ~~provision~~. It seems as though applying the rule of proportions to such cases would be fair & equitable to all parties concerned.

14) Of course we are entitled to refuse the request but since the Residency requires the service in their public interests & acco to J.G. we shall not lose by the transfer, I do not see sufficient reason to decline ~~to~~ to oblige them.

Subject:--

Permanent transfer of the services of Mr. K.V. Srinivas,
Police Inspector to the Civil and Military Station.

x 7th A Pol 179-12-6. 27) The services of Mr. Srinivas were in May 1913 placed
at the disposal of the Hon'ble the Resident for a period of two
years for employment as Police Inspector in the Civil and Military
Station, the necessary pensionary contribution being paid by the
Inspector himself. The First Assistant ^{to the} Resident now states that
the Inspector has performed his duties satisfactorily during the
period and proposes to confirm him in the Civil and Military --
Station police and recommends that as it would be hard on the
Inspector to forego his services in the Mysore State, the same
may be counted for pension, the Mysore Government paying a portion
of the pension in accordance with the rule of proportions.

arrangement may be accepted as a special case.

opinion that the proportional portion of pension may be paid by
the State at the proper time as a special case. This view is

SERIAL 1915. 1

SIR,

76H Pol 179-12-5 I am directed to refer to my endorsement No. 2943, dated the 15th May 1913, regarding the appointment of Mr. K. Srinivas, of the Mysore Police Department, as an Inspector of Police in the Civil and Military Station of Bangalore.

2. The Superintendent of Police of the Civil and Military Station reports that Mr. K. Srinivas has performed his duties satisfactorily during the past two years and recommends that he should be confirmed in his appointment. Mr. K. Srinivas has expressed his willingness to accept a permanent appointment in the Civil and Military Station Police, but is anxious that, for the purposes of pension, his past service under the Mysore Durbar should not be forfeited. In the circumstances it would seem not unreasonable to decide that his past service should count for pension, the pension, if and when earned, being debited to the revenues of the Mysore State and the Bangalore Assigned Tract according to the rule of proportions. It is understood that Mr. K. Srinivas served for approximately 10 years in the Mysore Police.

3. Mr. Coningham reports that there is no one in the Civil and Military Station police force as suitable as Mr. K. Srinivas

for

(15)

for the appointment in question and the Resident would therefore be glad if the proposed transfer could be arranged. To permit Mr. K. Srinivas to count his past service towards pension might ultimately require the sanction of the Government of India. At the present stage, Sir Hugh Daly would be glad to know whether || the Durbar would have any objection to the proposed arrangement.

I have the honour to be,

Sir,

Your most obedient servant,
